Exploring the Mind and the Meaning of Legacy

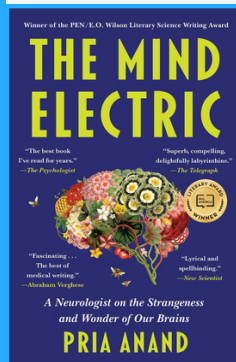

Independence Legacy Society Luncheon

MVAS invites you to a complimentary luncheon featuring guest speaker Dr. Priya Anand, MD, Neurologist and PEN Award-winning author.

Enjoy an afternoon of learning and conversation while discovering how your legacy can help older adults and people with disabilities live with independence and dignity for generations to come.

Photo by David Degner

Dr. Anand serves as a Neurologist at Boston Medical Center and Assistant Professor of Neurology at Boston University School of Medicine. She is the author of *The Mind Electric: A Neurologist on the Strangeness and Wonder of Our Brains*, named a Best Book of 2025 by *Publisher's Weekly*.
